daughters and one son only, though she was wice married Mine. George Sand had two children, a son and a daughter; so had Lady Mary Montagu, whose "letters " are so admired in our own literature, and Mme. de Sevigne, writer of equally famous "letters" in French. Mme. de Stael had three children in her early married life; when forty-eight years old she married a second time, and then had another son, George Ellot (Mrs. Cross) was childless, and so was Mrs. Craik, the author of " John Halltax." Mrs. Barbauld, whose prose and poetry were both much admired in the last century, had no children, and the same was the case with her equally praised contemporary, Mrs. Opte.

omerville, the mathematician, had two

Cheat Oysters.

> أرب وموساعه موري ومعون ومعول والوريوم موريوم ويتعمل والمعاور والمعود والمعاور والمعاور والمعاون والمعاون Charlotte Russe.

The simplest charlotte russe is made without the use of gelatine, and of simple whipped cream, sweetened and flavored. The very best cooks avoid the use of gelatine whenever it can be avoided, and employ it when necessary as sparingly as possible.

Indian Needlework.

A Stoux squaw, living near San Diego, Cal., will exhibit in the Women's Building at the broidered with sixteen pounds of beads. She worked for two years in making the garment, From the San Diego Mission will be exhibited valuable collection of time needlework by

indian girls. The Whistling Postmistress.

Miss Hattle E. Conners, postmistrees at Sorrento, Me., a growing rival of Bar Harbor, is a whistler of high degree. She is twentyeight, plays the plane, banjo and violin, and is not "slow" on the harmonica. She could also whistic at an early age. One day while out driving with her brother they passed a little boy sitting by the roadside, whistling with his finger in his mouth, " Hattle, try that," said her brother. She did so and was delighted to find how much more nower she had over her voice by so doing. From that her hands a wondrous quilt of white satin, designed by herself, to display the coffee tree time her fame has been steadily growing.

Pompadour Work.

A new notion in fancy work is what it Bothschild, and those worn by her sister are tale of stitches and of coins was complete, this way: Lace that is figured in a desirable

Only Ten, but a Heroine.
